

MATERIALS REQUIRED—BOXES FOR RECYCLING, EMPTY TOILET ROLLS, ANY WASTE YOU CAN USE, SCISSORS

ACTIVITY NAME - *My Favourite Places*

Aim: Recreate your favourite place for a walk or cycle or simply draw a 3d map of your journey to school

Instructions: Gather up all the waste useable in your house. This might include cereal boxes, empty parcels, empty toilet rolls, washing up liquid bottles, milk cartons, just anything you think might be useful.

Give everything a really good clean so that its nice and clean.

Decide where is your favourite place to walk or cycle or think of your journey to school.

Replicate this place/journey using the all your recyclables

Use the biggest box you can find as your setting. Open one of the longer sides of it. Lay this side flat, you can draw the path or road on this.

Use the remaining standing sides as your background and recreate your favourite place by using the stencils below as guidance to draw whatever you can remember from your place on the standing sections of the box.

Here is a picture to give you an idea.

Finish off by colouring in your scene anyway you wish

The Active School Travel Programme is an exciting initiative for schools who wish to see more of their pupils choosing an active and healthy journey to school. The programme provides schools with the skills and knowledge to get more children walking, cycling and scooting as their main mode of transport to school.
