DECISION ON PROPOSAL TO TRANSFORM TO CONTROLLED INTEGRATED STATUS

Dear Parent / Guardian,

I write to inform you that that the Board of Governors were contacted this evening by the Department of Education in relation to the proposal for St Eugene's PS to transform to become an Integrated School. The telephone call from the Department advised that the Minister for Education, Paul Given has decided not to approve the proposal. The Department of Education have provided no further information or reason for the decision at this time.

St Eugene's will continue to provide an excellent, high quality, inclusive education for all children trusted into our care. We look forward to many more successful years ahead as our school continues to thrive and serve our wonderful rural community.

Yours Sincerely,

Laura Gormley

Principal
