November 2026

Parent-Teacher Meetings

Thank you to the parents who have already attended their parent-teacher meeting this term. Mr Donnelly remains off ill and hopes to return very soon. Meetings for parents of children in P6/7 will be arranged as soon as possible upon his return. Parents of children in other classes who are yet to have their parent-teacher meetings will be contacted in due course to arrange a suitable time and date.

Numeracy Assessments

Our P3-P7 pupils will be sitting the digital CCEA Adaptive Assessment in Numeracy this month. This data will then be used to help with target setting and allow teachers to pin point areas for development in line with our school development plan. A yearly summary of our school development plan can be found in the files section of our website.

Sacramental Preparation

A special thank you to the parents of children who are making their First Holy Communion and Confirmation who attended the Sacramental Talk with Fr Seán last month. A letter has been sent home with the P4 and P7 children outlining the dates for special Masses and also a rota for the offertory. Please keep this letter safe for your future reference.

Car Park Works

Thank you all for your patience as work progresses on our car park. Things are really starting to take shape and we know the disruption will all be worth it. In the mean time our car park is still operational, those arriving first at home time should park as close to the exit gate as possible to leave enough room for cars coming behind. The children should be collected by an adult at the pedestrian gate nearest the polytunnel.

Parent - Teacher Contact

Communication with between home and school is important to us. School staff continue to use the Seesaw app to link with parents at home, share learning and offer a glimpse into classroom life.

Should any parent wish to speak to their child's teacher, please send a short note asking for a phone call back or telephone the office and leave a message with Mrs Gallagher. Teachers will return the call as soon as possible, be mindful that teachers are in class and can't come to the phone during teaching time.

If you have a concern or complaint, please speak to your child's teacher in the first instance, if you remain dissatsifed following contact with the teacher, you should then speak to Miss Gormley. All staff are happy to help and a good partnership is essential between home and school.

Upcoming Events in November

PE DAYS - Tuesdays & Thursdays

- Every Tuesday - Woodwind Tuition
